Prices:

Ski /Snowboard

Your ski package will depend on you. Sierra at Tahoe has extended a great offer for school groups based on 20 or more skiers. This trip is priced around the idea of this sized group. If there are not 20 skiers/snowboarders then this offer is not good and we may choose to participate at current retail prices which are about 58% higher than the prices on your order form. You may choose to opt out of this trip if there are not 20 skiers signed up. (see sign up sheet)

See the attached order form from Sierra at Tahoe to choose your ski packages.

Housing

We will be renting two beautiful houses in a country club. Each is very large and sleeps 10 in rooms and pull outs. There is only enough legal parking for 3-4 cars at each house so we must carpool. Illegally parked cars will be towed to make room for plows. These houses are available on a first come first serve basis. If sign up sheets and monies are not turned in promptly then we may loose these prices. **Housing will cost \$87.50 per person which is for the stay plus a cleaning fee for both days. A \$27.50 per person deposit will be added, but is refundable. This deposit is refundable ONLY if the houses are left in the same condition that they are found when we arrive.**

Meals

Breakfast and dinner will be served each day at 7am and 7 pm (not including Tuesday evening). See attached menu. **The price per person for both days is \$35. Lunch will be each person's responsibility; However, Sierra at Tahoe offers discounted lunches that you may purchase through food vouchers. See the ski order form. Snacks and drinks will also be provided in both homes.**

Please list each person's allergies below:

Name

Allergy

Payments

All payments are due to Noel Lopreore by November 11,2009. Housing and meals are not refundable. Housing deposits may be refundable only if the houses are left in proper order and will be returned to you as soon as each home owner refunds the money.

Forms

You must fill out the ski order form attached with ages and abilites. Sierra at Tahoe will send out liability release forms 2 weeks prior to our scheduled trip. This will need to be filled out before rentals and lessons can be taken.

Please fill out the allergy form on the previous page.
Please fill out the sign up sheet including whether or not you can drive and initial the bottom half. This is a first come first serve availability trip.

This will be a unique, fun and exciting trip for our St. John families and like all family trips; we urge you to come as a family. Children must be accompanied by a parent or legal guardian in order to attend due to the risk level associated with winter sports. This is not a St. John the Baptist School sponsored trip and thus, all liability is the responsibility of each individual family. I can't wait to have some fun in the snow and it has already been falling in Tahoe! This is going to be a great snow season so join us by signing up soon!!
