Life in Christ

Christians are called to live moral and holy lives. What does that mean? Is sin a reality? Can grace enable us to overcome sin and live moral lives? Christ's life, as expressed in Scripture, Tradition and by the Magisterium, are the primary moral guides for living in the Kingdom of God. Join us as we explore the "**Life in Christ**".

Eileen Limberg, is a Master Catechist for the Diocese of Santa Rosa and the Associate in the Diocesan Department of Religious Education. She has a MA in Theology from the University of San Francisco.
