February 25, 2009

Dear St. John the Baptist School Families,

My name is Peter Sykes and I am the Director of the Napa School of Music. We are very excited to partner with the Administration and staff of St. John's to bring to life the singing talents of the St. John's student body.

Over the next 3 weeks, Napa School of Music will be the destination of a field trip for the K– 6th grade classes and 7th and 8th grade soloists, as they record the songs they performed during the Advent Program. During their visit to our music school each student will experience a recording session, learn more about the Napa School of Music, and in the end hear the song they recorded played back for them.

This endeavor would not be possible without the time and talents of Mr. Tony Carlin, who is joining each class at the studio, in order to provide musical accompaniment.

On Tuesday February 24th, we started this journey with the 1st and 2nd graders. They did an outstanding job, and I think the smiles on their faces upon hearing their recording played back to them were priceless! We are looking forward to seeing all of the St. John students, and we are passing along an invitation to each school family.

Attached is detailed information about the Napa School of Music, as well as an invitation for your child to enjoy a free trial lesson at our school. You are welcome to check out our website at www.napaschoolofmusic.com to learn more about the many musical instruments your child can learn here including voice.

We look forward to meeting all of your children, and providing for them this exciting opportunity to become recording artists! Please feel free to call myself, or our Development Director, Ali Shull, with any questions you have regarding this project.

We are looking forward to having a lot of fun with the students of St. John the Baptist Catholic School.

All the best,

Peter Sykes
